## Story: - "The talkative Tortoise"

There lived a talkative tortoise in a lake along with his friends, the two swans.

One day the swans and the tortoise decided to go on a trip.

They told him to hold the stick with his mouth and not to talk while flying.

People below saw them and clapped. The tortoise felt proud and wanted to talk. The happy tortoise decided to thank them. When he opened his mouth, he fell down.

Moral- Always listen to good advice.
